Introduction to US CPA

The CPA (Certified Public Accountant) designation is a globally recognized certification in the field of accounting and finance, administered by the American Institute of Certified Public Accountants (AICPA). It signifies expertise in accounting, auditing, taxation, and business law, and is highly regarded in both public and private sectors.

Benefits of Becoming a US CPA

- Global Recognition
- Competitive Salary
- High Demand
- Designation & Membership
- Global Acceptance and Career Opportunities
- Established Benchmark

Scope of US CPA

Individuals pursuing the CPA designation can explore career opportunities such as:

- Equity Research Analyst
- Investment Banker
- Financial Analyst
- Tax Advisor/ Consultant
- Internal Auditor
- External Auditor
- Management Accountant
- Forensic Accountant

US CPA Eligibility

Requirement for Examination:

- To be eligible for appearing the CPA exams, candidates generally need to have completed 120 credit hours of education.
- Bachelor of Commerce (BCom) degrees or equivalent in UGC-approved universities in India like Mumbai University, Delhi University, IGNOU etc are recognized.
- A typical 3-year undergraduate program, such as a BCom, usually earns 90 credit points- (30 credit points per year).
- To meet the 120 credit point requirement for the CPA exams, students need an additional 30 credit points, which can be obtained after the completion of the first year of the post graduation (PG) course.
- For obtaining the CPA license, an additional 30 credit points are required, which can be fulfilled by completing a postgraduate course / accumulating credit points through other approved courses.
- Students who have passed the CA Inter examination are eligible to get 120 credit points and those who have completed the CA Final will be receiving 150 credits.
- No other commerce professional courses will provide the credits for appearing and to get eligible for license in CPA exams.
- Students from NAAC- BCom qualified students from NAAC Accredited colleges are directly eligible to get 120 credit points.

Requirement for Licensing

- To obtain a CPA license, candidates must have completed 150 credit hours of education.
- Candidates must obtain 1-2 years / 2000 hours of work experience in tax, audit, accounting, and consulting depending upon the state where in which the candidate is applying.
- Candidates must pass an on demand ethics exam as part of the certification process which is also depending upon the state where in which the candidate is applying.

Ms. Kanishka Singhal

Faculty

The CPA program will be an invaluable experience that will significantly enhance your understanding of accounting and finance. The curriculum is comprehensive, covering essential topics that are crucial for success in the profession. The rigorous training not only will prepare you for the CPA exam but also will equip you with practical skills that you can apply in your career every day.

The support from faculty and access to resources will be instrumental in your journey. You will feel confident in your abilities and ready to tackle the challenges of the accounting world. Earning CPA designation will open doors to numerous opportunities and will solidify your commitment to the profession.

Mr. Ankit Bajaj

Faculty

The CPA course will give you amazing benefits for your professional and personal development. The in-depth information will provide you with a thorough grasp of accounting concepts, tax regulations, and auditing standards, resulting in increased job performance. The course's planned study schedule will help you stay on track and manage your time wisely. Aside from exam preparation, you will learn crucial problem-solving and analytical abilities that will be used in your position on a regular basis. This course will not only help you pass the CPA test, but it will also lead to new job prospects and increased earning potential. It's a genuinely worthwhile investment!

LakshyanZ

On the 7th of August 2016, we kick started a very novel initiative known as the LakshyanZ. With an even thrust on academics, cultural activities and sports, the aim was to bring out the best of each and every student and propel them towards overall excellence. LakshyanZ provides a platform for our students to re-discover and groom up their talents, interests and skills, while spreading knowledge through a fun filled experience. Apart from this, LakshyanZ also strives to create a social commitment among the students by undertaking various charitable activities. With LakshyanZ, we aim to help our students to discover a new dimension of life.
