My CMA journey with Lakshya was nothing short of amazing! The faculty were incredibly supportive, always ready to clear doubts and make learning engaging. Their notes and guidance played a huge role in helping me grasp concepts easily and prepare effectively for the exams.

What made the experience even better was the fun side of Lakshya! It wasn't just about studying. Lakshya organized various programs that gave us a break from the stress and kept the learning atmosphere lively. The offline classes had the perfect balance of serious preparation and enjoyable moments, making the whole journey memorable.

With their support, I successfully cleared my CMA exams, and I'd highly recommend Lakshya to anyone looking for the right mix of expert coaching, great study materials, and a fun learning environment!

I'm Sandhra Jayaraj, and I pursued my CMA US certification with IIC Lakshya. My journey with IIC Lakshya was truly transformative. The structured study plan, expert faculty, and constant support helped me stay focused and confident throughout my preparation.

The conceptual clarity and exam-oriented approach played a key role in my success, helping me to be the top scorer in India (Jan 2024). Thanks to this strong foundation, I am now working as an FP&A Analyst. I'm grateful to Lakshya for being an integral part of my CMA journey!
