What better feeling is there other than hearing about the success of people who did it? See it for yourself.

I am Athul Manoj, a proud student of the MBA + ACCA integrated program at the Indian Institute of Lakshya. My journey here has been both transformative and inspiring. The program has not only deepened my understanding of global finance and management principles but also shaped me into a confident, career-ready professional. The unique blend of academic rigor and practical exposure offered by the institute has played a key role in my personal and professional development. The supportive faculty, industry-oriented curriculum, and regular workshops and seminars have equipped me with the skills required to thrive in the dynamic world of business and finance. Pursuing ACCA alongside an MBA has given me a global perspective and a competitive edge in the job market. It has helped me think analytically, work collaboratively, and stay adaptable in challenging environments. I'm especially grateful for the mentorship and guidance I've received at every step of the way. Being a part of Lakshya has been one of the most rewarding decisions of my life, and I am excited to take forward the knowledge and values I've gained here into the next phase of my career.
