My experience at the Indian Institute of Commerce Lakshya has been enriching and academically rewarding. The knowledgeable and supportive faculty made learning interactive and engaging. A key highlight was the industrial visit to Ashique and Associates, which offered real-world insights beyond the classroom. Regular exams, quality study materials, and revision sessions kept me disciplined and exam-ready. I'm especially thankful for the guidance of our mentors and coordinators, who continuously motivated us and tracked our progress. Lakshya has laid a strong foundation for my professional journey, and I'm grateful to be part of this student-focused institute.
